Bay State Athletic Club in Scituate, Massachusetts was the site of the Northeast Championships yesterday. This is one of our favorite venues for hosting small to mid-size competitions. The equipment is top of the line. Warm up room and competition platforms alike are equipped with Eleiko bars and plates as well as Eleiko "ER" type racks. The platform crew was outstanding. The table was efficient. The announcer was excellent and the lifting was terrific. The officiating was consistent throughout the day. The majority of the competitors qualified for the American Team to the WDFPF World Championship meet to be held at the Double Tree in Rockland, MA. this coming November.

Thanks to Rich Deleon, Ray Cross and Mark Sieminski (International referees) and to Mike Tanis(national referee) for an excellent job.

We plan to run another small American Team qualifier meet in August for the lifters in this area who were unable to compete yesterday.

Dave Mansfield
Meet Director
